

INFORMATION ON FUNDING FOR ALL CLUBS

SUCCESS in Beijing has secured a high profile for boxing and with London 2012 being practically a home venue NOW is prime time to seek funding.

For clubs based in Northern Ireland, Awards For All is still the most accessible and user friendly fund. Clubs may apply for a GRANT of up to £10,000. Find out all the information you need on,
www.awardsforall.org.uk

Various grants are also available from
www.biglotteryfund.org.uk

Clubs based in Southern Ireland may apply for funding online to
www.activelink.ie/ce/active.

In the next ULSTER COUNCIL NEWSLETTER, Mal Scott plans to have a section on FUNDING. Let us pool our resources – if you have had success with a particular Fund or if you have information on funding opportunities which may help other clubs please send it by email to Mal on
malscott@ntlworld.com
and please visit the Ulster Council Website on

www.ulsterboxing.org
for loads of valuable information on important CLUB POLICIES/

Finally for any clubs who have not yet given me an email address, please do so as quickly as possible as this is by far the most cost effective and fastest means of communication.

Yours sincerely
Anne Murphy
Secretary Ulster Provincial Council
